

LADIES AND GENTLEMEN, PLEASE TAKE YOUR SEATS - THE SHOW IS ABOUT TO COMMENCE!

Why not play your part and join us for every performance by sponsoring a seat?

The restoration of the King's has begun. In addition to £1 from every King's ticket sold since early 2008 and funding from the building's owners Glasgow City Council, we are inviting you to support our fundraising by sponsoring a seat. Not only will you have a unique dedication to the person of your choice, your donation will help to restore one of Scotland's most historic and significant theatres.

Architects Simpson and Brown have been investigating original layouts and interior decorations so that we can start work around our existing programme. Seat replacement starts from summer 2009 together with other initial work such as the installation of air-conditioning and bar restoration and refurbishment.

As part of the King's restoration seats in the Stalls and Grand Circle are being replaced with an authentic period design. Each seat will carry an engraved plaque with a personal message from its sponsor. This is the perfect way to give a unique gift, mark a special occasion, pay a tribute, make a dedication and support the King's Theatre.

Pick the seat of your choice and make your personal dedication for any number of reasons

- ★ To celebrate a birthday, anniversary or achievement
- ★ A fantastic Christmas present with a difference
- ★ In memory of a loved one
- ★ To thank someone
- ★ To show your business' support or community involvement
- ★ A personal commitment to the heritage & culture of Glasgow

For each dedicated seat, we invite a minimum donation of £300
